TRUE FRIENDS

There are many people that we meet in our lives but only a very few will make a lasting impression in our minds and hearts. It is these people that we will think of often and who will always seem important to us as true friends.

- Susan Polis Schutz

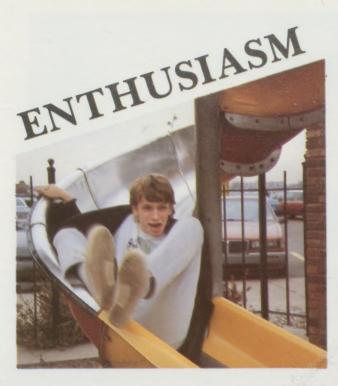

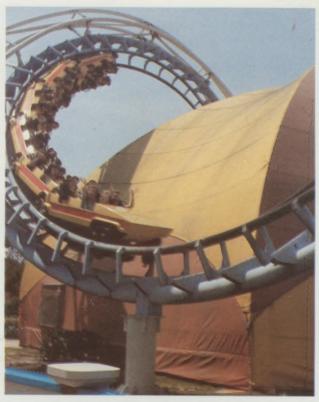

Some men see things as they are and say, "Why?" —

I dream things that never were and say, "Why not?"

— George Bernard Shaw

DID YOU KNOW?

Eagle Scouts — Darren Hall
Ben Hargy
Dan Quinn
Chris Schwarz

Kim Hanjack received the Gold Award in Girl Scouts.

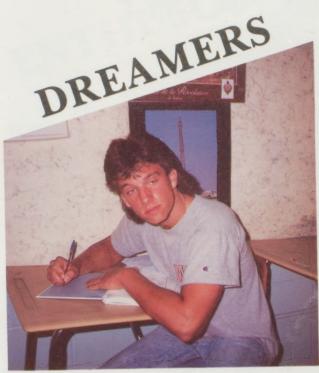

Mark Purrington was the 1989 Connecticut State Junior Golf Champion.

Ellen Leahey received County and State awards in 4H beef cattle raising.

Mike Kaplan was the first qualifier in the Eastern Grand Nationals Half Midget Racing in Columbus, Ohio. In 1989, he was second place in the Hall of Famers Race of Champions in Denver, Colorado.

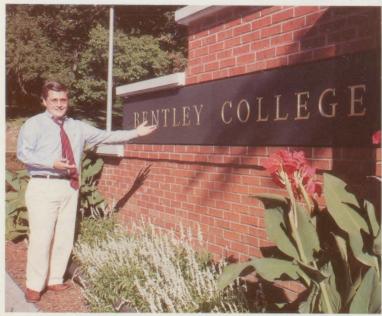

Don't ever give up your dreams . . . and never leave them behind. Find them, make them yours and all through your life, cherish them and never let them go.

— Elisa Costanza

Youth

Her voice can put tears in an old man's eyes or make wild animals trusting.

For youth is innocence.

Her bravery stuns the most courageous of soldiers and comforts the old and the sick

For youth is fearless.

Her dreams awe the most imaginative artists and inspire those depressed.

For youth is unrestrained.

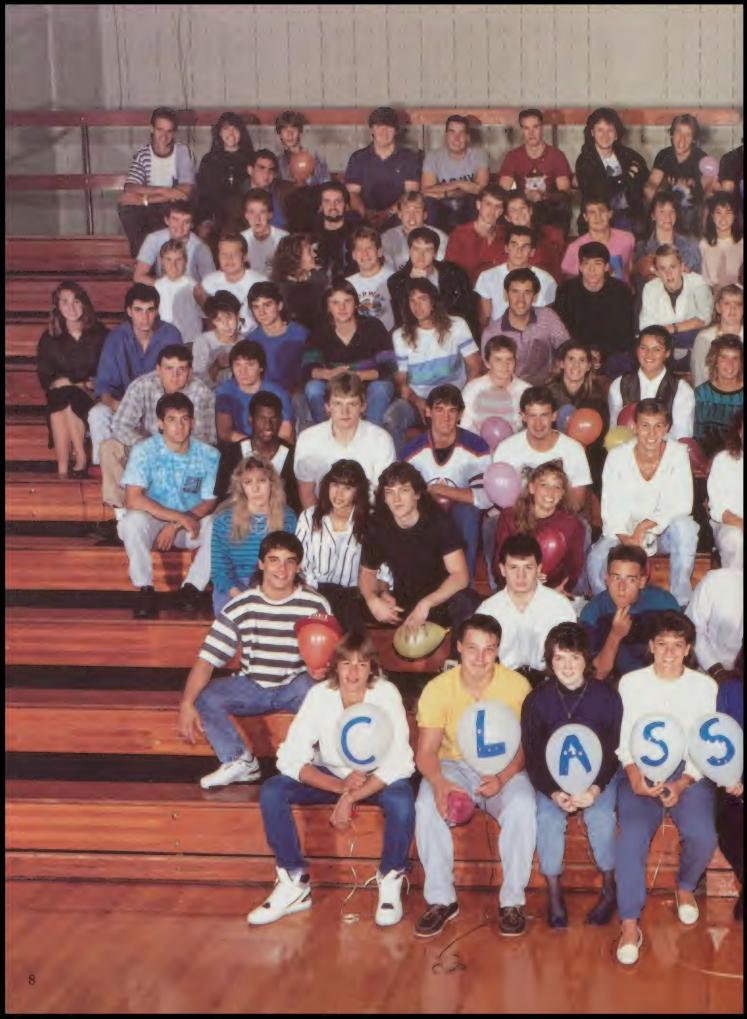

Her spirit drives old men to do childish things and makes her presence desired.

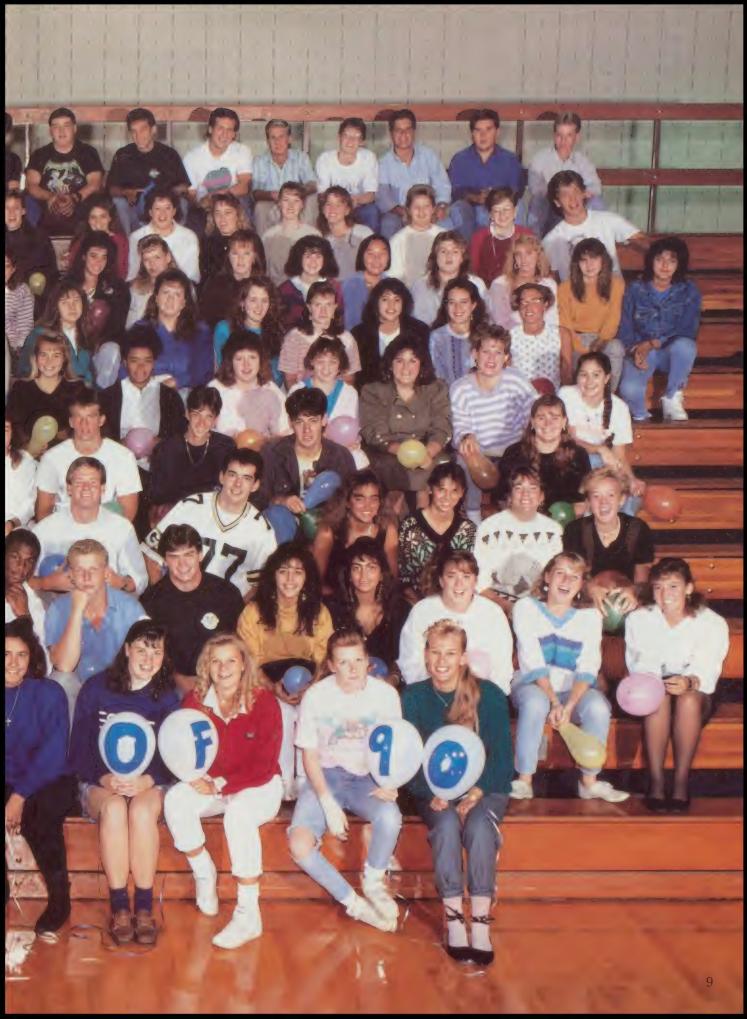

For youth is vibrant.

Value your youth, Carefree and wild, for it soon will be a memory.

For youth is fleeting.

DEDICATION

"Extraordinary people are ordinary people with extraordinary determination."

Many of us remember Mrs. Lorraine Fuller — Maybe she opened the doors of a school bus for us, taught us to ride a horse, encouraged us to achieve a Special Olympics Gold Medal, or maybe she made us practice piano. She may have lent an ear, gave a bit of advice, offered a shoulder to cry on, or just smiled to brighten our day. In some way or another Mrs. Lorraine Fuller touched all our hearts, with her dedication to making others happy.

On our Graduation day, she would want to tell each of us how valuable our lives are, and that it is up to us to be all that we can be.

We, the Class of 1990, with thanks and love, dedicate our yearbook to the memory of an extraordinary lady.

LORRAINE NICHOLSON FULLER 1942-1989

APPRECIATION

As the Class of 1990 moves forward in life, we would like to pause to reflect on our high school years. Through this reflection we realize the hard work and dedication of our two class advisors, Mrs. Judith Halliday and Mr. Paul Thomas. We would like to express our sincere gratitude for their guidance.

As freshman, we relied on Mrs. Judith Halliday and Miss Mary Latina to encourage class organization and participation in activities such as dances, refreshment stands, and Spirit Night.

The arrival of Mr. Paul Thomas proved to be a positive influence on our class. Mrs. Judith Halliday and Mr. Paul Thomas working together with our class, helped to establish a tradition with Suffield High School's first "Safe Prom Party." Our class advisors have been a prominent factor in our success as a class.

State Police are charged with illegal recordings of phone calls. In 1986, Governor O'Neill wins another term as Governor. Taxes for road repairs increase. The departure of the old airport and the on time arrival of the new Bradley International Airport. Ques-

tions raised over the seat belt law and the speed limit on the highways. The "woodchipper murder." The drug war in Bridgeport, New Britain, Hartford, and New Haven. The gang wars on the streets on the rise, despite the growing awareness. Children using guns — accidental killings. Bloomfield tragedy — Day care questionable; who should be watching our children?

LOCAL NEWS

These past four years have been a time for projects and developments. The sewer project designed to give many Suffield homes new town sewers. As we try hard to sanitize Suffield, town people are going insane over the new prison being built in Suffield. Maybe the state thinks the prisoners will also clean up their act! Due to a population increase, not including the prison, Suffield has added on to McAlister Middle School making it grades 5-8, and are just finishing the Spaulding School addition project. The police station has also moved to a new location, 911 Mountain Road, just across the street form the infamous Kent Farms, a new housing development. In addition, the Briarwood I and II housing developments went up in town.

Suffield makes the news in July of 1987, with the murders of Seymour and Price, after they tried to break up a party down the street from the Seymour's new house in the Kent Farms subdivision. Eric Steiger, responsible for the

murders, brought Suffield into an uproar, with many astonished and frightened citizens. As a result, Suffield gained notoriety, but not the kind that it seeked.

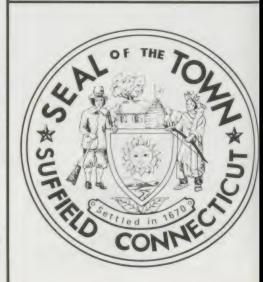

On a lighter note, here's some food for thought. Some-place Special, Food Bag, and A Hole in the Wall deli, offer S.H.S. Seniors a lunch to satisfy their hunger with limited time as well as funds.

Originally John's Food Town, it became Ted's Supermarket, and finally Leader's Department Store. What is planned next?

A new Suffield Office Park is now under construction. The NEW and IMPROVED Suffield Village is on its way. With it will be increased retail and office space, and the A&P is considering a face lift with a new outside and inside. Let's wait and see what happens.

Inside Suffield High School news. The installation of a new attendance policy making it easier to stay in school. Mr. Garvey leaves his "pricipals" in Southwick to patrol the halls of

Suffield High; the S.H.S. "Vice" Squad. It is no longer legal to smoke in or on school grounds. The cafeteria has expanded with an express line for the students and teachers constantly on the go. For those with a sweet tooth take a place in line at the Sundae Bar, availability subject to change. New to the Yearbook, the Mini-Mag, and the constantly changing staff. Will Mr. Jensen ever keep his employees for more than one year?

SCANDALS

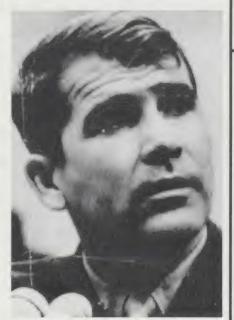

Scandals that people have been talking about over the past four years.

The P.T.L. Scandal/Jim and Tammy Bakker. Tammy Bakker's affair with the makeup counter. Jim Bakker was sentenced to jail for fraud. As for Jessica Hahn, she's earning a living off the scandal. Jimmy Swaggert confesses in front of his T.V. viewers that he has committed adultery. He gains sympathy and continues to preach.

Sports scandals: Canada's Ben Johnson loses his Track and Field 1988 Olympic Gold Medal because of steriod use. This brought to light the use and abuse of steriods among Americans.

In the Fall of 1989 Baseball's Pete Rose is thrown out

Oliver North? "I don't recall ..."

of the American League because he participated in illegal gambling. In Hollywood: Popsinger/Actress Madonna and Sean Penn marry, separate, reunite, and then divorce. Penn himself was a scandal with his short temper directed towards reporters. Anoth-

er couple that suffered a scandalous breakup was actress Robin Givens and Heavyweight champ Mike Tyson. Givens was accused of being a golddigger and Tyson of physical abuse.

Our government has been exposed on numerous occasions. Gary Hart, a 1988 Presidential candidate, dropped out after his affair with Donna Rice, was exposed. The Iran-

Jim and Tammy Bakker: "Is this a sin?"

Contra, arms for hostages and Oliver North; which was more scandalous in the public eye? Our new Vice-President, Dan Quayle; a scandal or an object of public ridicule?

Mike Tyson: Physical abuser or not? Is she a gold digger?

For the ride of your life, hop in the car with **Ellen Leahey** or **Dan Racine**. They are, with no doubt "the classes craziest drivers."

Dina Leventis and **Mike Welch** always look great, that's why they were voted "Best Dressed."

PEOPLE'S

These faces could appear on the cover of any modeling magazine. Chris Petkovich, Lina Abdulkader, and Jason Norrie are the "Best Looking."

You will always see Heather Allenbeck, Matt Phelps and Jeff Lucia at the games showing that they are the "Most Spirited."

"Broadway here we come!" Is what the "class Thespians," **Sue Holcomb** and **Mark Purrington** are saying.

If you don't know these two personally, you must have at least noticed them. Jay Hinkle and Elaine Reeves are the "Class Individualists."

You may catch **Katie Egan** or **Timmy Gifford** winking or smiling at you; don't be alarmed they're just the "Class Flirts."

Jay Hefflon and Gina Polizzi's teeth sparkle. That is why they were voted "Class Smile."

CHOICE

Trouble, party, or just some noise . . . Start looking for Pat Formanek or Holly Martinez, they are well known for being the "Rowdiest" in the class.

Successful: Jen Heintz and Todd Hodgman? Wait until our class reunion. They are the "Most Likely to Succeed."

Where are **Jeff Mandirola** and **Lori Casinghino?** They are the "Class Athletes," so you probably will find them at the nearest playing court or field.

Catch **Todd Hodgeman** or **Mindy Dowd** with their noses in a book? No doubt that they are the "Most Studious."

Jessie Lanier and Gina Polizzi are the "Friendliest in the class," so don't be afraid to say "Hi."

PEOPLES

You could hear Kim Klaus and Doug Sullivan across the state. You can hear why they won "Class Mouth."

You will never catch these two at a dull moment: Jay Hargy and Amy Young can always find or start a "Party."

Got a problem? Betcha' Dave Messenger, Kim Klaus or Scott Gilbert could top it; they are the "Complainers" of the year.

Timmy Gifford and **Gina Polizzi:** They are the "Class Couple" of the year.

"Hey, do you work out?" we asked "Class Physiques" Frank Vono and Lina Abdulkader.

CHOICE

Looking for a laugh? Chris Stearns and Holly Martinez can get one out of anyone. That's why they are the "Class Clowns."

"The 'eyes' have it'." Anna Tartsinis and Jason Norrie have the "Nicest Eyes" in the class.

"Class Musicians" are Jay Hinkle and Meg Galetta. Maybe we will hear them on the radio someday.

IN MEMORY OF ...

Pat, You were such a special caring person Who knew the loving art of bringing joy to others by sharing from your heart. You always had a gentle word a helping hand to lend, You always had the time to give when someone needed a friend. Your special kind of caring was an art that can't be taught It came from keeping others always close in loving thought. Your special kind of caring now makes the memories very dear and they shall grow more loved and treasured with every passing year!

The Student Center.

Going to McDonald's" is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats.

You've made McDonald's more than just another place to eat. And that's why, at McDonald's, we say...

IT'S A GOOD TIME FOR THE GREAT TASTE

PRESENT TENSE

It was spring, But it was summer I wanted, The warm days, And the great outdoors, It was summer, But it was fall I wanted, The colorful leaves, And the cool, dry air. It was fall, But it was winter I wanted, The beautiful snow, And the joy of the holiday season. It was winter, But, it was spring I wanted, The warmth, And the blossoming of nature. I was a child, But it was adulthood I wanted, The freedom, And the respect. I was 20, But it was 30 I wanted, To be mature. And sophisticated. I was middle-aged, But it was 20 I wanted, The youth, And the free spirit. I was retired, But it was middle age I wanted, The presence of mind, without limitations.
